

How can we help you?

- Foothill Counseling's goal is to provide a comprehensive counseling program addressing student's academic, career/college and social/emotional needs.
- Career and college pathways, and a completion of high school graduation and UC/CSU "a-g" college requirements.
- The fundamental purpose of our department is to motivate students to develop a passion for learning, explore and develop diverse talents and reach well beyond the ordinary.

Advanced Placement

- AP is a program of college-level courses offered at many high schools.
- Courses are available: English, history, humanities, languages, math, psychology and science.
- The focus is not on memorizing facts and figures. It's on engaging discussions, approaching and solving problems together and learning to write well. You'll get to study fascinating topics and ideas.
