StrengthsExplorer® - Powered by Gallup

Overview Theme Details Action Items

👤 Your top 3 themes
You are the only person with your exact talents. Nobody in the world is the same as you.

1. Presence
You were born to be at the front of the room telling stories and taking the lead. Other people watch you and listen to you.

3. Competing
You see many things in life as a game, and you feel great joy when you win. You truly hate to lose because you are always striving for first place.

2. Relating
You like to start friendships and keep them for a long time? maybe even your whole life. You widen the circle of friends for yourself and others.

Theme Details
Here is a complete summary of your themes from StrengthsExplorer®

i StrengthsExplorer will help you think about your talents - the ways in which you naturally think, feel, or behave. Thinking about your talents may be new to you. The StrengthsExplorer report will help you begin to discover and talk about your greatest talents by identifying the areas, or "themes," in which they are found. Even though everyone has talents in all 10 of these themes, StrengthsExplorer tells you your top three themes. The descriptions of your top themes probably express the way you are much, or even most, of the time. Friends, parents and teachers might use similar words to describe you. Learning about your talents can help you grow and build strengths, as well as help you achieve what you want to do in your life.

This will tell you a little about your personality and will help identify some good career matches
