College pathways

Foothill offers Career Technical Education pathways that give students the opportunity to explore and become skilled in one of the nine areas of study. In order to complete a pathway and graduate with a pathway cord, students must take 3-4 courses in that field, including at least one introductory, one focus, and one completer course in the same area.

I = Introductory

F = Focus Course

C = Completer Course

*Optional electives can be used as the intro or focus courses or can be taken as an elective in addition to other coursework.

Feat: foothill engineering and technology

Grades 9, 10, 11 & 12

8 pathways

1. Engineering
2. Media Arts
3. Computer Science
4. Manufacturing Technology

Additional pathv

- 5. Graphic Design
- 6. Robotics
- 7. Visual Imagery
